Grenier Msg to Shaughnessy.PDF;

Good Morning Commissioners:

I was asked to send this out to each of you for information purposes in the event you receive any inquiries regarding the attached email from Mr. Grenier. I reviewed the minutes for both meetings held in September 2018 and no official vote was taken regarding the confederate statue. There was discussion on September 11, 2018, but no action could be taken because the item wasn't on the agenda. The discussion on the 18th took place during public comment portion of the meeting. The item came up again at the September 25 meeting under commissioner reports, but no vote was taken for the same reason; the item was not published on the agenda. Here are the links to the minutes of both September meetings for reference:
